Janna,
I'm very glad
to have met you
and I hope we get
to be friends. This summer.
Best of luck,
Lynne Hobbs

Dear Janna,
I'm sure we will both gain
much from being in the same
class. Keep working at being a
sweet girl. I think you are
great. (you sleepy head.)
May you find contentment
and success in life. Emma

George A. McKinney was born in the 'Show-Me State' near Springfield. He received his undergraduate degree in education from Southwest Missouri State College. Since then he has received his M.S. from Tulsa University and is now in the last stages of work toward his doctorate of education. He has also studied at the University of Oklahoma and Oklahoma State University.

He joined Tulsa schools in 1941 after having been principal in Leonard, Okmulgee, and Bixby. His first position here was business instructor at Central. From 1942-1944 he was civilian instructor at Oklahoma State University with the engineering operations school of the Air Force.

He then returned to Bixby High as principal until his return in 1949 as science teacher at Franklin. From 1952-1955 he was on special assignment at the Education Service Center and he was assistant principal at Cherokee Junior High from 1955-1958.

In 1958 Monroe Junior High opened and he was named principal. He remained there until 1962 when he became principal at Tulsa's newest high school, Memorial.

Taps III Honors Principal

Mr. George A. McKinney is a man we point to with pride. A dignified, intelligent man with an abundance of warmth and humor, he has captured the respect and love of all who are associated with him. He has served Memorial faithfully and with wisdom and patience; guided her to the heights she has attained in her short, but remarkable history.

It means very much to students to know that their principal sincerely cares about them and wants the very best for them. If you ever have occasion to go to him with a problem, you will find genuine interest and competent assistance. His concern is shown even in his parting words, "If there's anything else I can do, please let me know."

It is therefore fitting that this yearbook, with its theme of the three phases of Memorial life, be dedicated to the man who best exemplifies them.

With gratitude and affection we dedicate Taps III to our principal.

Three years ago the classes of '64 and '65 were issued a great and meaningful challenge. We were challenged by the dedication of a high school to bring out in ourselves those things which are best and most desirable in man.

We were challenged to strive for the ideal states of honesty, justice, and sincerity; to practice these in our everyday lives; to work for something bigger than ourselves. We were asked to strive for a unity and a belief in ourselves and what we stood for that defeat after honest effort could not puncture and hatred and petty thoughts had no part of.

In her three years of existence, Memorial High School has proved to society that the dedication of that first year is still alive. She

64

has proved her excellence in her three most important phases—Service, Spirit and Scholarship.

It is because her life seems to be patterned in threes—three colors, three classes, three outstanding characteristics, the first three years—that we have chosen the triangle as the theme of this yearbook.

The first year we developed the side of the triangle representing Spirit; the second year, Scholarship. This year with the development of Service, our triangle becomes complete.

Memorial's first three years will always be her golden ones. Her childhood has passed.

But the future is lined with silver.

Faculty

To you, the students of Memorial Senior High School, I offer hearty congratulations.

Opening a new school is a difficult task—for administrators, teachers, and the numerous other people involved in planning the physical plant itself and the instructional program to be offered. Such a venture also places a great responsibility on the student body—that of building wholesome school spirit, helping to set and maintain high academic standards, and developing high regard for scholastic excellence.

These are important in that they are contributions toward realization of the primary purpose of public education in this country—the perpetuation of the American Way of Life.

CHARLES C. MASON

Superintendent of Schools

December 5, 1962

This message was delivered to Memorial students in 1962 at our school dedication, setting goals for us to achieve.

Now, in 1965, three years later we look back on his words with a feeling of accomplishment, knowing we have taken large strides toward "the perpetuation of the American Way of Life."

The Laureate, Memorial's literary anthology, is now in its second and, as we on the staff believe, its best year. There is a certain challenge to being on the staff; it has the format headaches of the yearbook and the traumatic deadlines of journalism, plus the much harder job of reading and judging each piece of material. It was hard work but it was fun and we thank all who contributed. Sponsor: Mrs. Mary Lou Bulloch.

Journalism

Of interest to all students is *Tulsa School Life*, the paper published jointly by the nine Tulsa high schools. The 15-member journalism staff was responsible for Memorial's portion of the paper, which included all news and feature stories about Memorial, and the bi-weekly column, "Banner Lines." At the beginning of the year, the staff took a tour of the Education Service Center to learn how the paper is produced. Four staff members attended the national yearbook and journalism conference in Chicago. Memorial journalists also attended meetings of the Tulsa Inter-scholastic Press Association, which representatives from all the city high schools attend. To conclude a busy year, the staff attended the Tulsa University "Press Day." The students received much experience at copy-reading and writing headlines for stories from other schools, because their sponsor, Mr. Dykes, is coordinator of *School Life*.

Our slumber parties with no slumber.

Our dear "Henry's" little white bus.

The Miami tournament when the coach treated us to steaks and the boys treated themselves to fish sticks.

Our basketball game with the disc jockeys when our infractions of the rules set a new world's record.

And February 5th, our Loyalty Night, when we might as well have camped out at school.

Coach Bob Riddle, elated over Edison defeat, happily discusses southside championship. Mr. Riddle was chosen Coach of the Week and later was selected runner-up coach of the All-City football team.

It was a sorrowful crowd that watched the last football game of the 1963 season. It was one of the first "last" the two original classes would anticipate and sorrowfully pass.

But for football fans it had an even deeper meaning. With very few exceptions, our line was about to graduate.

And that's how people summed up our team in preseason opinions; a very strong backfield and a very weak line. They laughingly spoke of our rookie head coach's plan to transfer some of the depth in our backfield to the line. It looked like another "fair" season. Little did they know . . .

Seven games had passed, and to the wonderment of our competitors we also had seven victories. Our two hardest games were approaching, and people were beginning to wonder if our favored opponents were going to win.

And two weeks later the "Mighty Mites" of Memorial emerged as Magic Empire champions, the first three year school to win a conference title, and have an undefeated regular season.

The week before our Regional's championship game the paper was full of articles about us and our opponents. One article gave a perfect definition of our team in its headline, "Mighty Mites are not running Scared."

And they never will.

MEMORIAL 28 KELLEY O

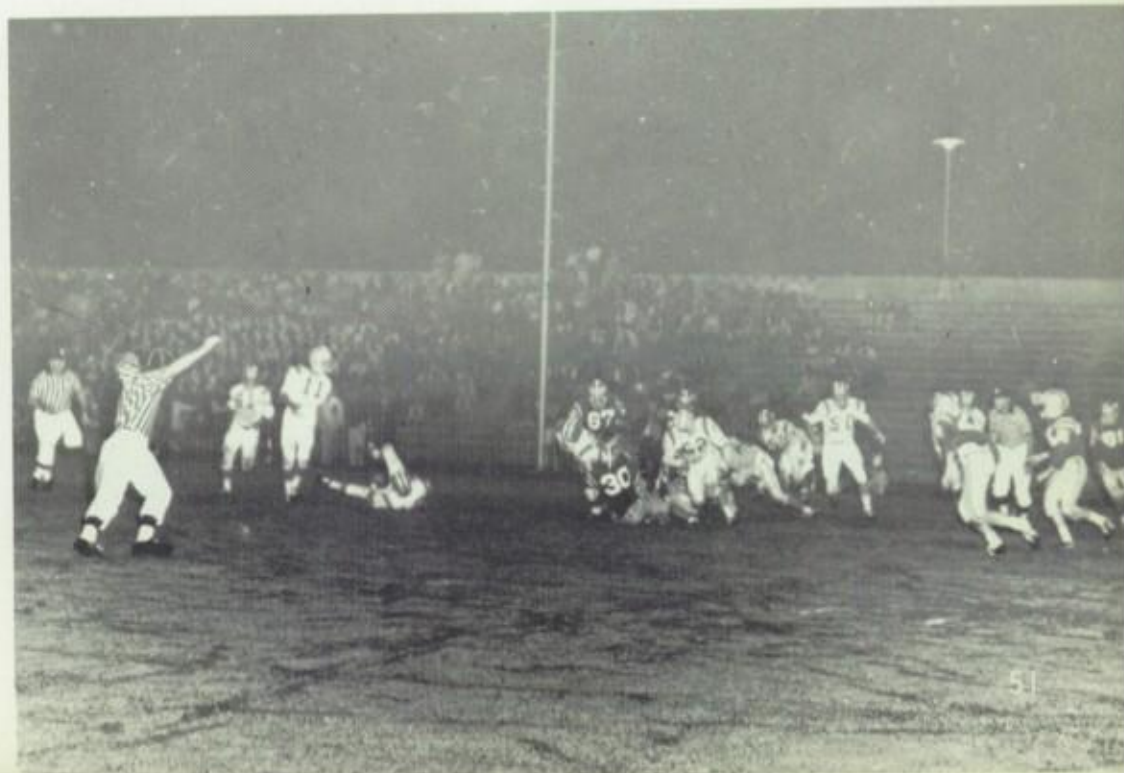

A mountain of penalties overshadowed by agile quarterbacking from Bobby Yaap and a 28-0 lopsided victory over Bishop Kelley's Comets Friday night made Memorial Head Coach Bob Riddle a happy man, to an extent.

Taking advantage of a bad boot by Comet Greg Roach, in four plays Memorial was on the two and a lateral from Yaap to speedy halfback Harry Wood clinched the first payoff.

The next TD came midway in the second period covering 55 yards with Yaap going over from the three.

From the kickoff the Chargers marched 62 yards with Yaap going in from the one, and the final TD came early in the fourth period with Yaap capping a 51-yard surge, mostly through the air, with an end sweep from the four. This conversion was good with Wood hauling the oval.

Kelley defense halts Charger onslaught.

Rick Wheeler (41) surges through Edison line as Chargers capture Southside crown.

MEMORIAL 12 SAPULPA 0

Riddle's unbeaten Chargers hung a 12-0 whitewashing on Sapulpa at Holmes Park for their seventh consecutive victory and their third Magic Empire triumph.

Memorial put its first score on the board late in the first quarter on a 21-yard aerial from quarterback Bobby Yaap to Harry Wood to cap a seven-play 43 yard series.

The Chargers took advantage of a fumbled punt late in the third quarter and Wood salted the give away TD scampering 16 yards to pay dirt completing the four-play 33 yard drive.

Wood's 53 yards rushing led Memorial's ground machine while Mike Bartlett picked up 37 and Greg Ridge made his starting debut collection 47 yards. Yaap's passing gained 151 yards on 12 completions in 18 attempts.

Fullback Steve Ward bulls his way over the Scot goal line for a six point tally. Accompanying him are five McLain defensive players.

MEMORIAL 22 EDISON 0

The revenge-minded Memorial Chargers bushwhacked Edison, 22-0, Saturday night before 2,500 rain-splattered fans.

A charge of lightning struck just before halftime, and Memorial made its first score. They returned in the rain to tally in each of the remaining periods.

Memorial's first score was set up by a 39-yard pass from Bobby Yaap to Bill Raynolds to the Edison 12. A nine-yard scamper by Rick Wheeler reached the three where two plays later Raynolds scored.

The Charger defense tightened in the second half to allow the Eagles only two first downs and a total of 44 yards offense. Edison only crossed midfield once, on its last offensive effort.

The last tally was set up by a 45-yard punt return by Ken Wiginton on Edison's free kick following the safety.

MEMORIAL 36 McLAIN 6

The Magic Empire Conference battle, viewed by some 3,500 fans, saw Memorial record its third straight regular season victory. The Mighty Mites were scored on for the first time this season, however.

The Chargers defensive wall held McLain's ground machine to a meager 17 yards rushing but couldn't hold down the passing attack, as the Scots completed 10 of 21 for 175 yards. Memorial gained 207 yards rushing and 100 through the air.

Fullback Steve Ward tallied on runs of 2, 6, and 72 yards while Harry Wood crossed the goal line from 6 and 11 yards out.

The victory got the Chargers off to a 1-0 league start.

MEMORIAL 34 EAST CENTRAL 0

A crowd of about 1,500 looked on at Webster Stadium Thursday night as the Chargers ground the Cardinals under with a barrage of power sweeps featuring Harry Wood, Ken Wiginton and quarterback Bobby Yaap.

Memorial wasted no time in putting the game on ice, rolling up a 21-0 bulge in the first period, scoring all 34 points in the first half and sending in the reserves to play a scoreless second half.

Wood grabbed the league scoring lead with a pair of touchdowns on a nine-yard sweep and an 86-yard punt return.

Yaap scored twice. In the first period he faded to pass and ran around right end from 14 yards out, then sneaked over from the one-yard line early in the second quarter for a touchdown set up by Greg Ridge's 42-yard scamper around right end.

Wiginton got the Chargers off to a fast start as he scored on a 15-yard jaunt around right end with only 3:04 gone in the first period.

MEMORIAL 27 HALE 6

Memorial's Mighty Mites mashed Hale, 27-6, for their fifth straight football victory at Skelly Stadium Friday night.

Bobby Yaap directed a silky, smooth attack that saw the speedy Chargers marching 68, 20, 69, and 48 yards to touchdowns.

Ward got the first tally late in the opening period, breaking from a pile-up at the line for a 14-yard scamper to cap a 68-yard drive in 10 plays.

A fumble recovery at the Hale 20 by Memorial guard Terry Edwards set up the next score as the second quarter opened. Yaap's only pass of the first half, a teasing five-yarder to Wood in the end zone, got the touchdown.

In the third quarter, the Chargers launched a 69-yard push which was climaxed by Wood's last-second pass off the option to end Rod Sunderland for nine yards.

A pass interception by Memorial's Harold Stewart set up a 48-yard drive for the final score in the fourth quarter. Yaap plunged the last two yards on fourth down.

During the game against East Central, halfback Harry Wood dives through a gaping hole to score. The Chargers went on to win 34 to 0.

MEMORIAL 6 WASHINGTON 6

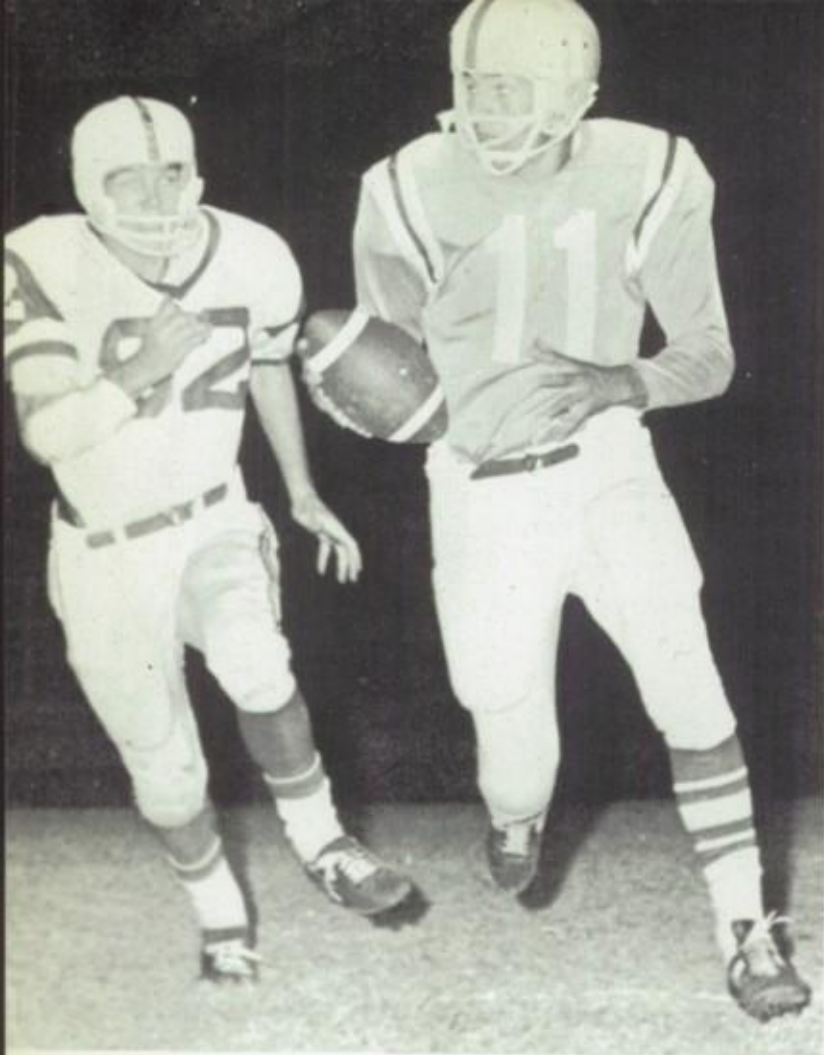

Coach Bob Riddle's Memorial Chargers, after seven straight victories, finally had their record tainted by a tie Friday night. The soft-spoken gridiron tutor is not complaining although he had five starters sidelined Friday night. His shorthanded crew wallowed to a 6-6 standoff with Booker T. Washington in the rain at Webster Stadium.

Washington, although dominated in the second half by the Chargers and limited to a net total of 16 yards, jumped into a 6-0 lead when Delbert Woodward grabbed a fumble in the air and lumbered 25 yards for a touchdown.

But the fellow who saved Memorial's unbeaten record was a second-string offensive fullback, Mike Bartlett. Bartlett rambled 26 yards over right tackle on the first play, dragging a half dozen Hornets with him to the 23-yard line. Then Bartlett carried seven more times, finally cracking over from less than a foot out.

Kenny Wiginton sprints past the Ranger defense to gain valuable yardage as Chargers tromp over Hale, 27 to 6.

Quarterback Bobby Yaap sprints past Central defense to pick up valuable yardage in Memorial's 14 to 0 victory over the Braves.

MEMORIAL 14 CENTRAL 0

Memorial's alert Chargers converted two Central fumbles into touchdowns to outlast the Braves, 14-0, in a defensive football struggle at Skelly Stadium. Quarterback Bobby Yaap passed for both of the first half scores. He connected on a 41-yard bomb to halfback Harry Wood for the first tally. In the second period he threaded a four-yard aerial to end Rod Sunderland in the end zone. Wood kicked both extra points. Central never crossed midfield in the first half. In the third period Terry Parsons recovered a fumble at the Charger 19, but the promising threat failed on downs.

MEMORIAL 8 ROGERS 30

Rogers mounted their total to 14 by the end of the first half, but Memorial promised to make a game of it by moving 50 yards in 10 plays. Sparked by substitute fullback Rick Wheeler's 21 yard scamper, the Chargers used a fourth down pass from Bobby Yaap to end Bill Reynolds to get their tally.

Yaap sprinted around the end on key blocks by Pat Jones and Norman Baxter to score the two points and narrow the gap, 14-8.

Memorial was unable to score again and the game ended 30-8. Just in their third season, the Chargers produced a sparkling 8-1-1 record.

Kenny Wiginton smashes through Ropers line only to be brought down by their secondary.

MEMORIAL 16 WEBSTER 6

After dominating the game for three quarters, Tulsa Memorial threw a stubborn defense at the threatening Webster Warriors and held on for a 16-6 victory and the Magic Empire football championship before 4,000 fans at Webster Stadium. In the closing five minutes the Charger defense came up with a goal line stand and in the last half-minute added two points on a safety when an over-anxious Warrior tried to field a punt at his goal line. Memorial, winning its first football crown since the school opened three years ago, evened its three-year series with the Warriors at 1-1-1. Bobby Yaap and Ken Wiginton added nine on the run-pitch option to get to the 15 and three plays later Wiginton scored from the 10 on a double reverse. He booted the placement for a 7-0 lead with 30 seconds left in the first quarter. Memorial opened the second half with improved domination driving 60 yards in 10 plays for a 14-0 lead. Yaap spiced the surge with a pass to end Bill Reynolds covering 29 yards. Yaap sneaked the final four yards on three plays and Wiginton, who left with an injury in the second period, came back to add the conversion kick.

Memorial's Bobby Yaap leads the Chargers to the Magic Empire crown.

Under the able direction of Coaches Terry West and Jerry Barnes, the Chargers' B-Team battled to an impressive but unrewarding season. The Chargers were short on victories but long on spirit and determination. With the experience received by a full season's action, Memorial should be prepared for an action-packed oncoming season.

CROSS COUNTRY

Somewhat overlooked because of our highly successful football team, our Cross Country team was one of the finest in the state. For the past two years they have competed with schools twice their size. Aided by Coach Eddy our team was able to finish fifth in state behind schools larger in size but not as big in heart and desire as our Chargers.

1964-1965

The Memorial basketball team this season displayed the spirit which has been traditional throughout Memorial's short history. In the Miami Tournament, due to superior drive and desire, the Chargers were victorious over Sapulpa. During the regular season, however, Memorial fell twice to the Chieftans, both times by close margins. Other hard-fought games ended in victory over Cascia Hall, East Central, and twice over Kelley. On Loyalty Night, the Chargers handed a near capacity crowd the most thrilling win of the entire season, downing McLain by a nine-point margin.

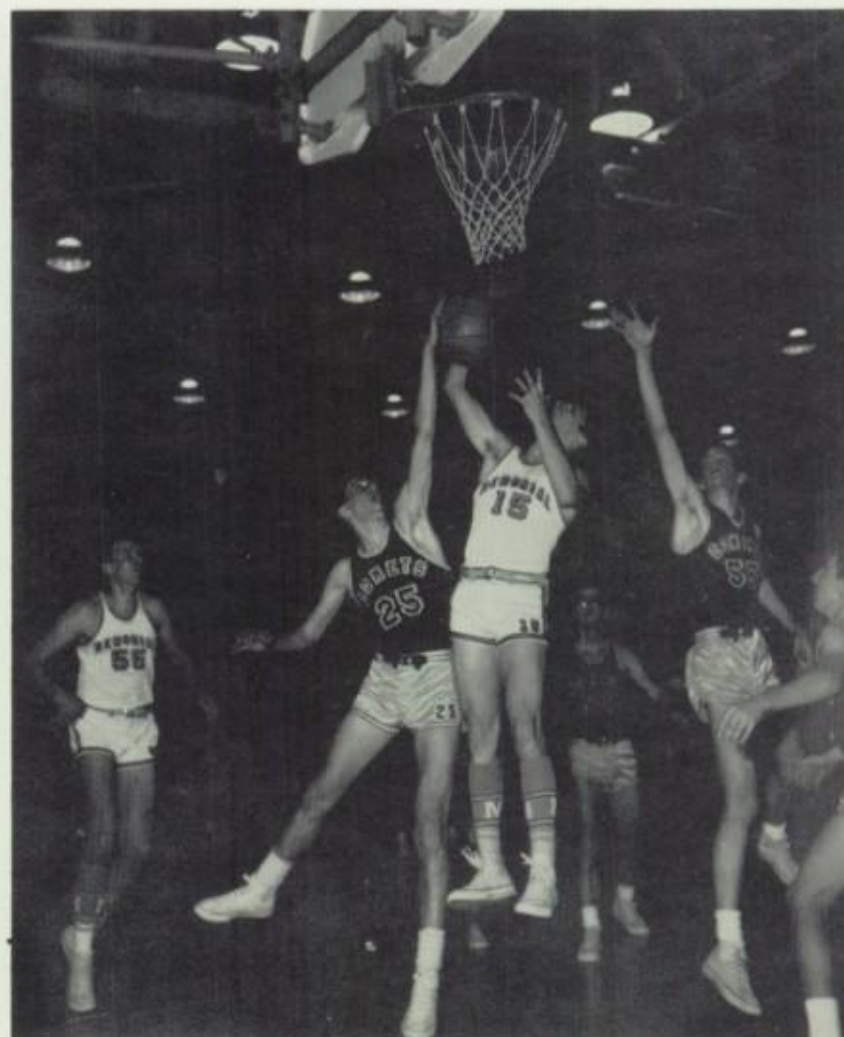

Though wins were few and far between for the Memorial cagers this year, an ever-present attitude of hustle and determination sparked the Chargers on in their efforts to bring honor not only to their team, but to the name of Memorial High School.

Frank Smith leaps high into the air to score despite McLain's defensive efforts.

Memorial's All State freestyle relay team consisted of Dave Jacobsen, Brad Jones, Bill Nance, and Don LaGrone.

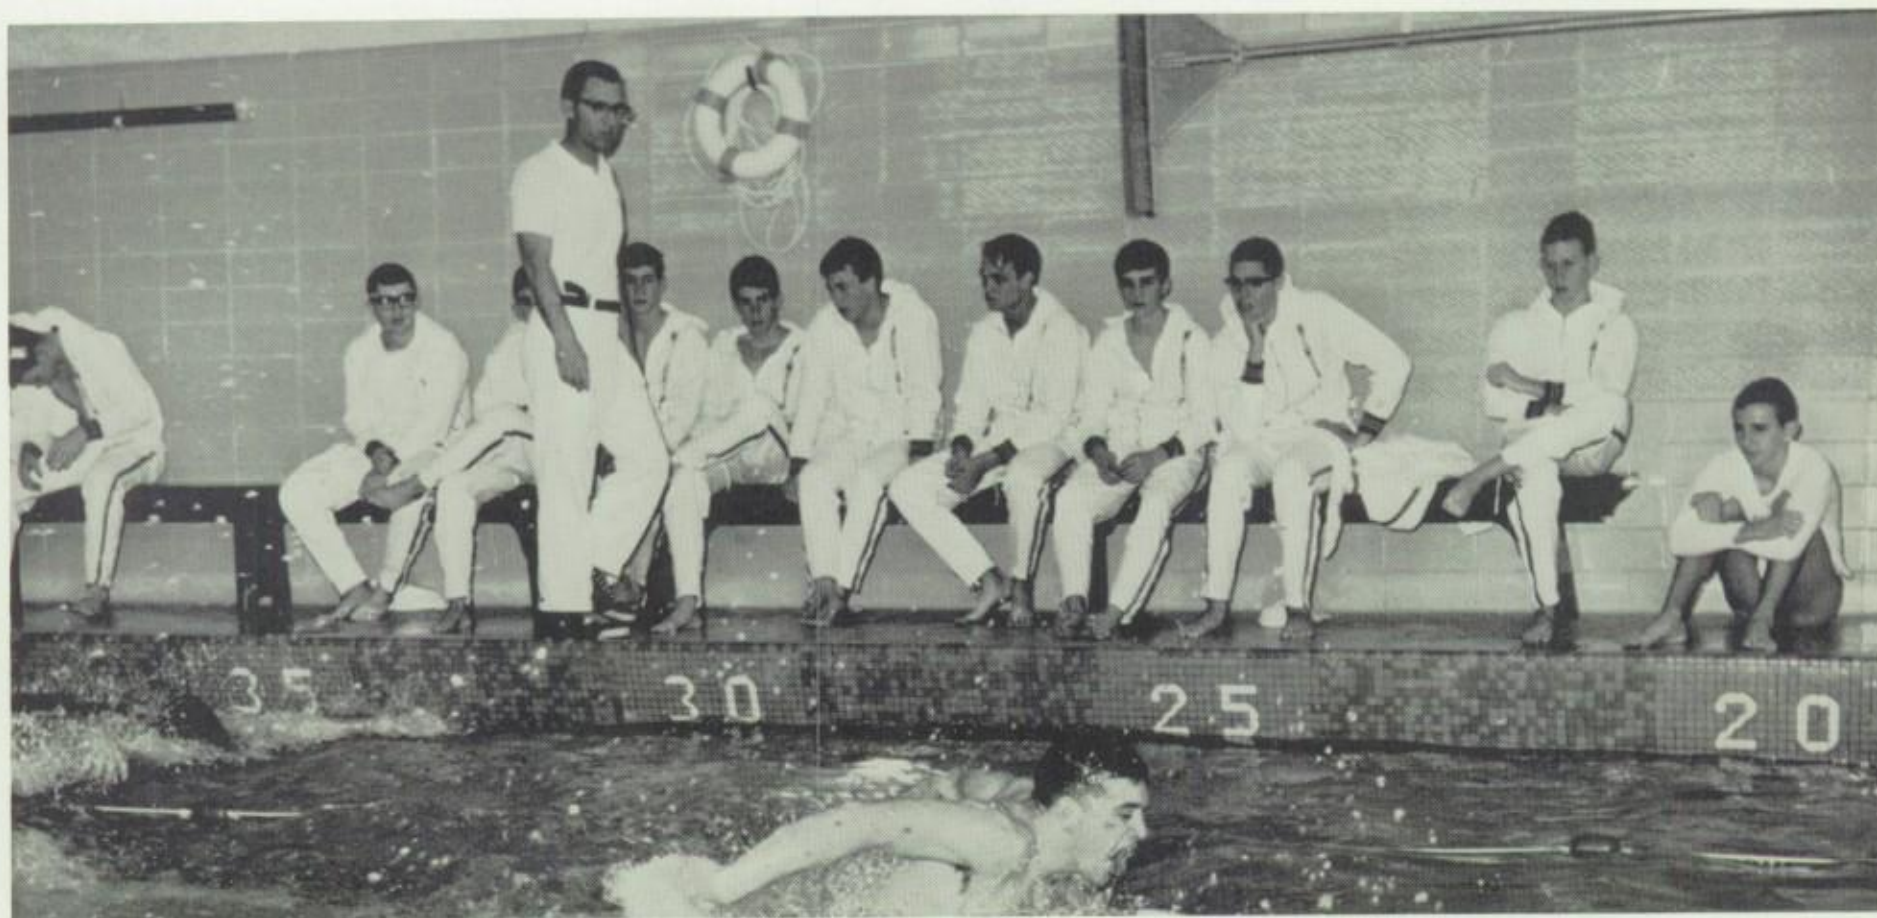

The Charger medley relay team consisting of Brad Jones, Larry Sims, M Johnson, and Greg Knutzen easily placed first in the State Meet.

For the third consecutive year, Memorial swimmers took high honors, easily retaining their conference title in addition to earning an impressive second place at the City Meet and placing third in the state. Their regular season record was marred only twice, with heartbreaking losses to Edison, the second by a mere point. Next year's season will see a number of returning lettermen who will lead their team in upholding the high traditions set in Memorial's first three years of swimming.

Manager Mike Brady presents Coach West with a stop watch purchased by the team in gratitude for the help that he gave them during the year.

Bill Nance abandons his usual freestyle to swim the butterfly as his anxious teammates look on.

Because of the valuable experience gained by the remainder of the squad, Memorial fans can anticipate a winning season for next year.

Memorial's Phil Carman gains a hard-fought victory over one of the wrestlers of the touring Japanese team.

Steve Ward, getting a late start due to a football injury, showed great promise for his senior year.

A.F.S.

With the aid of American Field Service and energetic money raising activities last year, Memorial was fortunate enough to enjoy a year with two of the greatest boys in the world. From Italy came Dick Fantozzi—boisterous, full of life (and the devil) and as helpful and intelligent as they come. From Brazil—Ben de Souza—dark-eyed, bright, and “most friendly.”

Two of Memorial’s finest families, the H.E. Buzzards and the C. R. Andersons served as hosts for the boys. Calling their foster parents “Mom and Dad” has become the natural and right greeting for Ben and Dick. Being treated as son and not as a visitor has made them *really* feel at home.

Senior Class Presents "The Lark"

David Barret as Cauchon, Glenda Holland as Joan of Arc, and Stan Brown as Warwick. Cauchon and Warwick find it hard to believe Joan's story.

Although the tales of Joan of Arc are old, the artistic endeavor of the contemporary French playwright, Jean Anouilh, creates for us a memorable and rewarding experience in "The Lark".

From the first moment Joan hears "her voice" till the last words she cries as she is tied to the stake, there is a courage and strength in her love for France. Joan's trial proves to be interesting as Church and State question her benevolent voices. Whether Joan leads the French army under the banner of God, or whether she is just another heretic, is a question left to the audience as the curtain closes.

Cauchon, played by David Barrett, prays for guidance in deciding Joan's fate.

The cast and crew, essentials in a good show.

The Queen Mother (Nancy Love) consoles the Little Queen (Gaye Clark).

Joan (Glenda Holland) asks the French King (Erich Sippel) to make his first independent decision and turn the army over to her.

“Light Up the Sky”

“Light up the Sky” characters brighten the scene. From left to right they are: Dennis O’Brien, Larry Myers, Pam Wallace, Valerie Warde, Connye Clawson.

Directed by Donald Hamilton the Junior Class Play concerned a group of performers on opening night of a play in Boston. The first act consisted of a string of good luck toasts made by the author, director, and producer. After the performance and before the early morning reviews, the characters showed their disappointment feeling the entire show was a flop. But the final act was very light hearted and encouraging. The review has been good and there is hope for the production.

Irene, played by Valerie Warde, praises Peter Sloane, played by Robert Walker.

"A toast, to a little old lady..." says Larry Myers. Listening, from left to right are: Jim Beeman, Linda Bretz, Robert Walker, Larry Myers, Phillip Day.

Francis Black, played by Connye Clawson, casually plays gin while toasts are made in the first scene. Standing behind her is Larry Myers.

Larry Myers makes a presentation to the "star" of the show, played by Valerie Warde.

Sophomores Sparkle

Veta Louise Simmons (played by Terry Nostrand), smiles at the thought of getting rid of Harvey. Watching from left to right are: Dr. Chumley (Tom Wallace), Homer (Gary Carver), Wilson (David Herrington), Judge Gaffney (Ricky Barr), Myrtle Mae Simmons (Debby Ross), and Harvey's special friend Elwood P. Dowd (Steve Suttle).

With "Harvey"

The Sophomore play, "Harvey", was a delightfully warm comedy. The play presented a Mr. Elwood P. Dowd who befriends a six foot rabbit, Harvey (a true Pooka). Elwood's society-minded sister, Veta Louise, feels her brother and his transparent friend are a detriment to the family name, so something must be done. Her attempt to put him away, however, is disastrous. She finds herself locked up instead of Elwood. From then people start seeing and not seeing more of that six-foot imp, Harvey.

"I didn't see a rabbit, did you see a rabbit?" The "Harvey" cast starting with the back row: David Myers, Ricky Barr, David Hines, Gary Carver, and Donald Hamilton. Next row: Betsy Best, Tom Wallace, Carol Stortz, David Herrington, and Margaret Clayton. Seated: Terry Nostrand, Debby Ross, and Steve Suttle.

"You won't believe who's in this picture, Doctor!" says Debby Ross to Tom Wallace.

"Do you know what Elwood is doing? He's introducing Harvey to my friends!" exclaims Terry Nostrand to Debby Ross.

“Inherit the Wind”

A tired Mr. Hamilton watches his last big production of the year.

The Masque and Gavel Society presented "Inherit the Wind" on April 2-3. The setting was 1927 at the famous monkey trial, but the conflict is timeless. Although the play is theater, it closely resembles the historic meeting of Bryan and Darrow in the Rhea County Courthouse. The conflict of religion and science is depicted in the courtroom battles so vividly recreated in the play.

This adaptation of the Scopes trial presented an immense challenge to the talented members of Masque and Gavel.

"He that troubleth his own house shall inherit the wind." Nancy Love, Stan Brown, Dennis O'Brien, Erich Sippel, and Mr. Hamilton.

"Project, my young friends," says Donald Hamilton to Steve Durham, Cindy Lawrence, and Robert Walker.

"So God speaks to you, Brady?" Erich Sippel and Stan Brown.

Juniors are measured for their Senior rings.

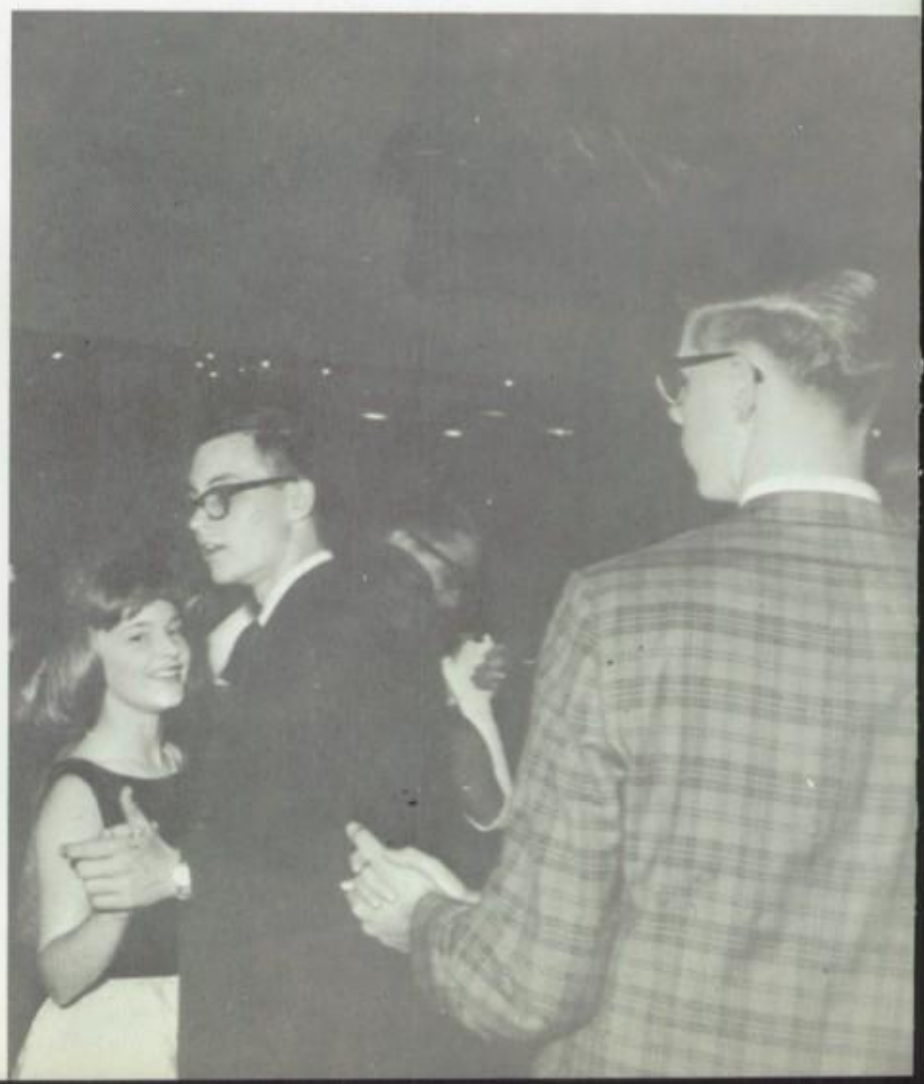

Welcome to the Twilight Zone.

Since when can you take food out of the cafeteria? Bill Nance, Chet Lenik, Pat Jenkins, Karen Morgan.

Larry Myers and Karen Anderson seem to be enjoying themselves at the Christmas Dance, Candy Cane Capers.

Senior Board

The class of 1965 is the first to complete three years at Memorial. The standards left by the graduates of '64 were indeed difficult to meet, but this year's Seniors have come through with flying colors.

Seniors started before the school year began with the annual Watermelon Feast. Here the new Chargers met the old, including some soft-hearted graduates.

The first week of school was ended by the Howdy Dance, another Senior activity. This week also included tryouts for our very successful Senior play, *The Lark*. With our active senior homerooms, we brought in more than a thousand dollars in ticket sales. This most difficult play was superb; the highlight of our senior year.

In early October our class selected the finalists for Miss Memorial II. Needless to say, our choices were excellent.

By the beginning of the second quarter, our class had begun work on our Senior activities. Committees were formed, chairmen chosen, and meetings began. With much hustle and bustle, and a lot of extra time we started preparing for our Senior week.

Because of the success of our Junior Carnival, we decided to sponsor one again in April of our Senior year.

With our Backward Dance, and a lot of other activities, our class completed its three most memorable years, when in May of 1965 the first class to go all the way through Memorial High School, graduated.

A short three years ago, the seniors of 1965 were entering these same doors for the first time . . .

Janna, you are one
most lovely girls I
know. Except some-
thing has happened
if you think we are
all against you, you
are very wrong. We all
love you very much
and won't let
you go. If the
you to stay
just to stay
they are all
right.

Jana,
I am sorry that
you transferred from
Memorial, because I have
missed you very much. We
did have fun at the beginning
of the year, though. Good luck in
the future!

Love
Libby

Jana,
I haven't known
you for long but
I hope to know you
better next year.
